

21st Century Society

Journal of the Academy of Social Sciences

To promote the Social Sciences and synthesise,
reflect and advance global public debates.

Call for Papers

Volume 2, 2007, 3 issues per year

Print ISSN: 1745-0144 Online ISSN: 1745-0152

Aims and Scope

The Editors of this new and innovative journal invite contributions from social scientists wishing to address challenging and important issues of relevance to an international audience. These may be theoretical, methodological or empirical. Papers will be peer reviewed to ensure high quality. Where possible papers should exhibit an interdisciplinary approach and papers are encouraged that link to disciplines outside the social sciences that have policy and practitioner relevance.

21st Century Society will:

- Provide a focus for interdisciplinary & multidisciplinary research across the social sciences
 - Promote the social sciences & represent current trends
 - Provide a digest of the most important issues within the social sciences
 - Provide a forum for debate on the intellectual & economic future
 - Provide critical reflection nationally & internationally
